

Dear Dr. Rahbar,

12/12/23

I just wanted you to know how much I appreciate you. I have never, ever met a doctor who cared so deeply about his patients. You have been the only medical professional I have been able to rely on. Thank you for always making time for me, even if it means coming into work early or leaving late. I honestly don't know how I would have survived the last decade without you. Your warmth + kindness shines through + I can't imagine where I would be without you. Thank you Dr. Rahbar... for everything. with love,  
Dala
